Christ, to Train and Equip them to become Disciples.*

MINISTRY IMPROVEMENT GOALS

These are the goals that focus on improving our ministry as a whole. We are striving to create a “WOW” factor in our church. Everything we do speaks to our guests- EVERYTHING! From the moment guests set foot on our property, they tune in to receive the message our church is sending, and our church is always sending a message, whether we realize it or not. The condition of our buildings, our grass, our parking lot, our attitudes and appearance, our ministry workers and our worship services all speak to our guests. Knowing this, we must make sure we are sending a welcoming message. We have an obligation to bring our ministry to the next level of excellence in all areas.
